Hello we hope you are all well and keeping safe at home. This week's home learning is based around the story Supertato.

Supertato

https://youtu.be/rze89HB9u8g

Supertato Veggies Assemble https://youtu.be/f3SymlvibC

Supertato Activities

> Draw a face on a potato to make your own Supertato! Take Supertato around your house to help out with some of the jobs, such as tidying your bedroom and putting your toys away. What other helpful

things can he do?

Use building bricks or items around your home to make a home for Supertato. Think about how tall and wide it needs to be to fit Supertato inside.

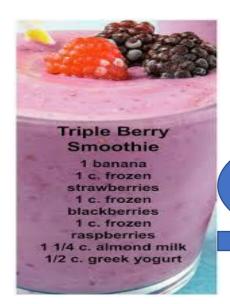

> When making or eating a meal, talk about which parts of the meal are healthy for your body.

When shopping in the supermarket or look in your fridge or cupboard, can you count the vegetables and sort them into size order.

> Talk about what your name would be if
you were a superhero and what special powers you would have. You could
draw a picture and send it into nursery.

> You could make jelly and add in fruit such as blueberries or peas!!!!! Does your jelly taste like peas, like the one in the story? What does your jelly taste like?.

You could use your favourite vegetables to make some vegetable soup......

Maybe you could make your own smoothie. Send a photo of you with your smoothie.

Veggles assemble for the Great Race

In "Supertato Run Veggles
Run" the veggles are having a
sports day to keep fit.

Set up your own veggle race.
Discover which veggles roll the

Check your freezer for any evil peas that have escaped....... You could freeze some of your vegetables then try to free them.

Why not keep active an try out cosmic superpower yoga -

https://youtu.be/fnO-IGEMOXk

We would love to see your work or photos, please send them to:
