Head Teacher – Mrs Faith Stringer

The Role of the Communication, Language and Literacy Governor (CL and L)

The CL and L Governor is appointed by the whole governing body.

1. The role of the CL&L Governor is to:
 - help the governing body understand, and monitor the CL&L provision;
 - ensure that regular consideration is given to CL&L matters;
 - act as a link, alongside the headteacher, between the school and the governing body on CL&L matters;
 - remind the governing body to give due priority to improvements to CL&L when considering budget allocations;
 - represent the governing body in developments with parents on CL&L matters.
2. Because the implementation of the Nursery Communication, Language and Literacy provision includes a management monitoring role, involving staff accountability, it might be difficult for the role of the CL&L Governor to be undertaken by a teacher employed at the school. However, there is no regulation that prevents a teacher at the school undertaking the role.
