

1st - 5th February 2021. Hello **Bubble 1**. We hope you are all keeping well. Some children in Bubble 1 have been singing *Going on a bear hunt* to we are going to explore this further.

We will explore the story 'We are going on a bear hunt'. And extend our learning from this. We have put some ideas together for you and child to try out at home.

Here is a link to the story (if you can access it) <https://youtu.be/8rH8r2npJ2A> or maybe you have this story at home.

Can you think of a different sound the family might make in the bear hunt?

- What sound do you think they would make if they went along a beach?
- Can you draw a picture of your favourite Teddy bear?
- Can find out a fact about real life bears that you can share with us?

We will be learning a new fun song this week as we go on a bear Hunt.

We Are Looking for a Bear Song

(Sing to the tune of 'Twinkle, Twinkle, Little Star')

We are looking for a bear,
Searching here and searching there,
Through the grass and mud and snow,
Through the forests we will go,

We are looking for a bear,
Searching here and searching there.

Exploring Outdoors

Why not try and make some binoculars and go on a walk? If you made some last week then you are already ahead of the game !!

You could make a map of where you might go and what you might see.

Take a photo of where you have been and send it in to nursery.

Snack Time - Create a bear.

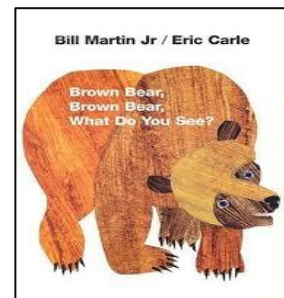

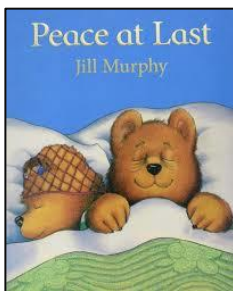

Why not have some bear snacks. Here are a few ideas. Let me know if you can think of any more bear snacks and possibly send a photo of you eating them if you make / buy them.

Here are some other favourite bear books that you may like to read:
